

Source Protection Committee

SOURCE PROTECTION COMMITTEE MEETINGS 47 & 48

January 30 and February 2, 2012 at Asphodel-Norwood Community Centre, Norwood.

Correspondence (February 2 meeting)

The following correspondence was provided to the Committee:

- Correspondence from the five Conservation Authorities/Source Protection Authorities regarding feedback on the *draft* policies provided during the pre-consultation period – October/November 2011
- Tom Cathcart, Manager, Inspections Programs, Peterborough County-City Health Unit re: comment on draft policy S-1: Reporting on Mandatory Septic Maintenance Inspections – January 6, 2012
- Mary Anne Covelli, Director, Source Protection Programs Branch, MOE to Max Christie, Chair, Quinte SPC re: response regarding addressing the threat from handling and storage of fuel – January 20, 2012

Review of Draft Policies

Staff have reviewed and summarized the feedback received from municipalities, Source Protection Authorities/Conservation Authorities, provincial ministries and other implementing bodies during the pre-consultation process.

The Committee reviewed the feedback during these two meetings, and following considerable discussion, made a number of amendments to draft policies for the following threats:

- Agriculture
 - Agricultural Source Material
 - Commercial Fertilizer
 - Pesticides
 - Livestock
- Fuel
- Non-Agricultural Source Material
- Aircraft De-icing
- Storage of Snow
- Waste Disposal Sites
- Road Salt
- Sewage

Next Meeting

The next Source Protection Committee meeting will be held Wednesday, February 15, 2012 at the Asphodel-Norwood Community Centre, Norwood.
