

Source Protection Committee

SOURCE PROTECTION COMMITTEE (SPC) MEETING

March 29, 2018 at Asphodel-Norwood Community Centre, Norwood.

Correspondence

- 12 items of correspondence were received by the Committee. The Chair discussed the letter written by M.G. Christie (Quinte) to H.Malcolmson (MOECC) which requested the extension of funding to extend source protection to support additional rural communities.

Annual Progress Reporting

- The Committee received the draft 2017 Annual Progress Reports for both the Trent and Ganaraska Source Protection Plans.
- The Committee gave the Trent Source Protection Plan a grade of "Satisfactory."
- The Committee gave the Ganaraska Source Protection Plan a grade of "Progressing Well on Target."
- The final progress reports will be provided to the MOECC and copies will be posted shortly on the TCC website at: <http://trentsourceprotection.on.ca/resources/reports-legislation>.

Section 36 Work Plan

- The Committee approved for further review of 14 policies identified by implementing bodies as challenging to be undertaken as part of the Section 36 work plan.
- Staff discussed 8 of the 14 challenging policies (G-1 – Transition Provisions, G-3 – Land Acquisition, G-6 – Signage for Vulnerable Areas (partial), G-7 – Section 57 Prohibition, OT-2(2) – Transport Pathways, G-11 – Emergency Management (partial), S-6(1) – Sewage Systems (partial) and F-2(1) - Fuel Storage, resulting in the need for them to be further investigated by municipal and planning working groups as part of the Section 36 work plan.
- The Committee heard directly from three implementing bodies on the topics of Road Salt, DNAPL, Agricultural Source Material, and Emergency Management, which account for the remaining 6 of 14 policy challenges (D1 and D2 - DNAPL, A-1 and A-4 – ASM, R-1 – Road Salt and OT-1 – Spills along transportation corridors) to be further investigated by municipal working groups.

Minister's Annual Report on Drinking Water 2017

- Staff presented a review of the Ministers Annual Report on Drinking Water 2017. Staff were requested to revisit the report and conduct a more comprehensive review of the database accompanying the annual report.

SPC Renewal Plan

- The Committee approved the SPC Renewal Plan, which calls for other interests and commercial/industrial sectors to be replaced by the end of the 2018-2019 fiscal year. Municipal sector renewals will follow the provincial election.

Next Meeting

- The 2018-2019 meeting schedule comprises of 4 meetings.
- Dates are to be determined by polling Committee members.
