Pleasant Point Municipal Well System Kawartha-Haliburton Source Protection Area

Policy Applicability Map

PRODUCED BY Lower Trent Conservation on behalf of the Trent Conservation Coalition Source Protection Committee, 2014.

Waterbodies and watercourses located within the extent of an intake protection zone or wellhead protection area are included in that zone.

Made possible through the support of the Government of Ontario

Trent Conservation Coalition Source Protection Region

1	This table indicates which activities are subject to source protection policies in the corresponding coloured areas on
	the map. Policies apply only if the activity is carried out under circumstances that make it a significant drinking water
	threat. These circumstances are detailed in the Provincial Tables of Circumstances.
